SAMPLE SANTA LETTER

Merry Christmas **Lauren,**

I can't believe it is almost time to deliver presents again. My elves have been busy in the workshop getting ready for Christmas Eve. The reindeer have been practicing their take offs and landings with my new sleigh. We have quite a bit of snow here at the North Pole.

I'm making my list and checking it twice. I see your name on the good list. You've been working hard in **third grade** and I am very proud of you. Mrs. Claus is too! Keep it up! Although, I did notice you could use a little **more practice time on the piano**. If you try your best, I'll bring you something special like a new **Barbie**. The elves also have a few other gifts they feel would be perfect for you. I know you'll be excited to open them up!

When I deliver the gifts I will be looking for the **cookies and milk** you leave out for me. My reindeer also love to munch on the **carrots** you leave out for them. All of us here at the North Pole hope you have a very Merry Christmas and Happy New Year.

Ho! Ho! Ho! **SANTA**

P.S. **Thanks for visiting me this year.**

It was fun talking with you.
